# Leo Eschebach

Dietary Aide at Aston Park Health Care Center, Fullstack Web Developer

Asheville, North Carolina, United States

## Summary

I am 19 years old and just got out of high school last year. However, I have already taken the initiative to studying within my field of interest both in and out of high school. I have taken AP CS A and AP CS Principles while in school, as well as online CS courses to further boost my knowledge in the field.
